

Adoption Requirements

Lone Star Sanctuary for Animals is a privately owned 501(c)(3) non-profit animal-welfare organization. Our animals' well-being is our priority. We reserve the right to reject any adoption application.

Requirements to adopt:

- You must be 21 years of age or older.
- The legal adopter must complete the application. We do not adopt animals as Gifts, as Surprises, or by Proxy.
- Your entire household (including children and dogs) must come to Lone Star Sanctuary for a supervised Meet-And-Greet with the animal you would like to adopt.
- A mandatory 24-hour "consideration period" must precede every adoption.
- Adopted dogs must have access to an adequate, fenced-in yard.
- Cats must be adopted as indoor pets.
- Large-breed dogs require a house with a private, fenced-in yard; and may not be adopted into apartments or mobile-homes.
- If you rent, you must provide a copy of your lease agreement stating that pets are allowed, and you must provide proof that all applicable pet deposits have been paid.
- You must provide proof of address to adopt a young cat before spay/neuter, and you must return the cat to Lone Star Sanctuary for Animals for all mandated spay/neuter appointments.
- Lone Star Sanctuary for Animals is unable to adopt outside the Midland/Odessa/Big Spring area, due to our logistical capabilities.
- You must agree to provide regular veterinary care for the animal and keep it up to date on vaccinations and registration.
- An adoption donation of \$100.00 is required for each animal unless that animal or the adopter qualifies for one of our special adoption programs.

Please call the shelter at 432-683-7387 for any questions you have regarding our adoption process.
